

Dear Kayla,

I so appreciate all the hard work you do. The long hours at the plant, the delicious fresh meals, and the phenomenal home environment make every day an incredible adventure. ♡

Everything always turns so sweet in my world when we get to celebrate this time of year. Very few people understand my work, which is why

I appreciate so deeply your constant support these last few years. I really can't believe so much time has gone by, and it's always been spectacular with you. I promise I

just have one more letter to get this right.

There's nothing closer to my heart than making it work so your smiling face comes alive. I'll wake up early

and push myself to every limit for us.

Yours,

John
